

COME TO YOUR SENSES

Teen Council Presents:

Enjoy an evening at The Contemporary Austin's Jones Center where you will be challenged to engage your five senses at our rooftop party. This free after-hours event, put on by teens, for teens, is inspired by the sensational work of John Bock and Wangechi Mutu. Come to Your Senses will invite you to broaden your perception of your sight, smell, hearing, taste and touch.

Come Together and Come to Your Senses.
